Palace parties continue to be a big hit with the girls, but did you know the boys also have lots to do. What do Princesses want more than their Knight in shiny armour or their Prince Charming. Costumes for the boys as well as a castle building exercise, and crafts for them too. Of course, the guys know how to play the air guitar without any help.

When your teen complains of nothing to do, don't send them to their room, send them to the Dungeon!!! They will enjoy a safe, teen friendly environment where they can dance to the latest beats. And you'll

## Playground News!

### Supervised Drop-in Play

We are now offering supervised drop-in play from 4:00-6:00pm on Wednesdays. A certified sitter will be on-hand to watch your children while you get some Christmas shopping done, go workout, get dinner ready, or just have a couple of hours to yourself. We hope to expand the service throughout the week should the demand be there. Give us a call to book as space is limited.

### Remember to book your playground party early!

Our playground party times go fast, so if you are looking for a specific day or time, book your party at least 2 months in advance to avoid disappointment.

You may want to consider our early morning, late evening weekend, or evening weekday party times. These times are discounted for Big Monkey Parties.
